**Crazy Mom's Fashion** |

It started 20 years ago. One day, Jane Smith, a busy mom and a loving wife, went shopping for new clothes. After a few hours of searching, she came home exhausted and disappointed. In the mid-80s, few manufacturers made clothes for women over thirty. "Thousands of women in England have the same problem, and I will help them," – thought Mrs. Smith. With very little money, no connections in the fashion world and a husband who thought that her idea was crazy, the ambitious woman decided to start up her own business.

Jane designed her first collection of twenty clothing items, bought suitable material and sewing machines, and hired experienced tailors. The Smiths' balcony turned into a workshop. When the collection was ready, Jane offered it to a famous chain of stores. To her surprise, they bought the whole collection at once. When they asked her about the name of her company, Jane looked at her husband, smiled and said: "Crazy Mom". The collection was sold in a very short time – women liked Jane's models. In a month, the manager of the chain ordered more clothes from "Crazy Mom" and Jane had to hire more people and find a bigger place for the workshop. The next step was opening her own shop at the central train station in Manchester.

Now "Crazy Mom" has 50 boutiques all over the world. Mr. Smith left his job as an engineer and became head of the company. Their four children also work in the company and, according to Jane, this is what makes the business so successful.

1. Why didn't Jane manage to buy any clothes?
2. What difficulties did Jane when starting up her business?
3. What special trait helped Jane succeed in her new career?
4. What did Mrs. Smith do in order to start her business?
5. Where did Jane sew her first collection?
6. Why did Jane decide to call her collection "Crazy Mom"?

7. What did Jane do when the manager ordered more clothes?
8. What fact proves that "Crazy Mom" is a successful company?

## Some Will Go the Extra Mile

Unlike most people, Marty O'Brien loves long car trips. In fact, he often tries to make them longer.

5 Marty is a member of the Extra Miler Club. His goal is to visit every one of the 3,145 counties in the United States. So far, he has visited 1,441. "On every trip," he says, "I 10 look for new places to go."

That's the philosophy of the people in the Extra Miler Club. The club began in 1973, and it now has 207 members. Twelve of these 15 members have visited every county. They have even traveled by

seaplane to get to counties in Alaska that are hard to reach. Some others have been to every state.

20 Roy Carson is one of the people who started the club. In 1985 he traveled to his last county. But he didn't take any photographs on his trips. So now he is trying again. 25 This time he is taking photographs of himself in front of each county sign. So far, he has covered 538,427 miles. "It's just as much fun the second time around, but it's a lot more expensive," he says. Gas cost 30 just 39 cents a gallon when he first started—in 1949.
