26 Read the text. How does the writer feel about Jordin Sparks and why? (2 marks)

My American Idol: Jordin Sparks

Jordin Sparks is an American singer, songwriter and actress from New Jersey. She sings a mixture of pop and R & B. She's very successful in America but she isn't as famous in the UK and Australia as she is in the States. She has won various music awards including the Teen Choice Awards and the BMI Pop Awards. She first became famous in 2007 when she was the youngest person to win *American Idol* at just seventeen. That was when I first saw her. If you don't know, *American Idol* is one of the most watched talent shows in the US, with millions of viewers tuning in every week. People love following the emotional rollercoaster journey that their favourite acts go on. Every year thousands of singers audition for a chance to win the show. The winner gets a record deal with a big music company. The show helps to launch the career of the winner, but it also helps to put all of the finalists in the public eye. Even those that don't win can go on to have successful careers.

Jordan's journey has been very inspirational to me. When she was young she took part in several talent shows. In 2006 she auditioned twice for *American Idol*. She failed to make it through the first time. But she didn't give up hope and she kept trying. On her second audition she got through. She was popular during the competition and had lots of fans, including me! Since she won the show, Jordin has worked as the producer of several of her own albums. Her debut single *Tattoo* made it into the top 10 in the American charts. She has also worked with singers such as Chris Brown and Alicia Keys. In 2010 she went on her first tour of America which was a huge success. She has now moved into acting and has starred in many films.

Jordin has become very rich but she hasn't allowed this to change her. She uses her wealth to do good by supporting various charities. In 2008 she travelled to Ghana to help with 'Malaria No More'. This organization is working to end malaria deaths in Africa. She also contributed to 'We Are the World', a charity single made to raise money for the survivors of the Haitian earthquake. Jordin continues to help and support people who are in need. This is why she is my idol: she is both a fantastic singer and a fantastic person. She followed her dreams to become a star and she never gave up. I've bought her new album and I'm going to see her in concert next month! I can't wait!

Read the text again. Answer the questions. Write complete sentences. (8 marks)

- 1 What was special about Jordin Spark's victory on *American Idol*?

- 2 According to the writer, why do people watch *American Idol*?

- 3 What example does the writer give to show Jordin's determination to succeed?

- 4 What has Jordin done with the money she has earned? Give an example that involves music.

Writing

25 Write an article about one of the following topics:

- the best or worst event in your life

Use the prompts to help you. Remember to use grammatical structures that you have learnt and linking words to explain and contrast your ideas. Write about 150 words.

Paragraph 1: Introduce the topic. Say where and when you went, who you were with and what you did there.

Paragraph 2: Give further details about the event or holiday. Explain what happened and what was great or terrible about it.
